

In order to be considered into the “club” rankings, there are certain criteria that USclubrankings specifically follows. The first is that the club must have at least 3 teams in different age groups between 14U and 18U. We then take the top team in each individual age division from your state ranking and put a point total to it based on that team’s rank.

State Rank: for your club’s highest ranked team:

1. 100pts
2. 99pts
3. 98pts
4. 97pts
5. 96pts

We then multiply the point total by a weighted percent based on the varying importance of each age division (Ex: older age groups are weighed more heavily based on college recruitments, coach strength, etc).

- ☑ 14’s are weighted 10%
- ☑ 15’s are weighted 15%
- ☑ 16’s are weighted 25%
- ☑ 17’s are weighted 25%
- ☑ 18’s are weighted 25%

We add your points from 14’s to 18’s for your total score.
