

2014 Wisconsin Club Rankings

In order to be considered into the “club” rankings, there are certain criteria that USclubrankings specifically follows. The first is that the club must have at least 3 teams in different age groups. We then take the top team in each individual age division from your state ranking and put a point total to it based on that team’s rank.

State Rank: for your club’s highest ranked team:

1. 100pts
2. 99pts
3. 98pts
4. 97pts
5. 96pts

We then multiply the point total by a weighted percent based on the varying importance of each age division (Ex: older age groups are weighed more heavily based on college recruitments, coach strength, etc).

- 14’s are weighted 10%
- 15’s are weighted 15%
- 16’s are weighted 25%
- 17’s are weighted 25%
- 18’s are weighted 25%

We add your points from 14’s to 18’s for your total score.
